SHELTER DOGS: AMAZING STORIES OF STRAY DOGS

by Peg Kehret

Join our special "school wide" book club which finds the entire school community reading and discussing "One Book" once again. Save the date and join our Mohawk community on the front lawn from 3:00–3:30pm on Monday, May 11, 2009 where a cast of "rescuers", plus one "very special" guest visitor will distribute a copy of this year's selection, ***SHELTER DOGS: AMAZING STORIES OF STRAY DOGS*** by Peg Kehret, to each Mohawk family. Remember, a parent or adult representative needs to sign for the free book generously funded by the CHIEFS. Flyers, informational brochures, and many special events will occur during our "Mohawk Reads" program. Check the Mohawk library website, PTA Colt Courier, and flyers in the red "suitcase" folder sent home with all Mohawk students, for accompanying reading activities and discussion questions for this wonderful selection!

Let's have 100% participation in this fun, family oriented, pleasure reading event!!
